A Travel Based tool
Made for people with disabilities

Core Values

- Accessibility
- Innovation
- Continuous Improvement
- Empowerment

Objectives

- Create a full stack travel-assistant application.
- Tailor the application to the needs of disabled travelers.
- Develop an accurate speech-to-text feature that can effectively convert spoken words into written text.
- Develop a personalized chatbot that can give accurate recommendation and advices based on traveler's location and preferences
- Incorporate responsive user-friendly interfaces and accessibility features
- Conduct extensive testing and user feedback sessions to ensure the best application for our user

Target Audience

- Visually Impaired Travelers
- Travelers with Disabilities
- Travelers
- Perspective Travelers
- People who seek a resource to find traveling tips

Competitive Advantage

- Tailored for the visually impaired travelers: The application is was designed to enhance the travel experience for individuals with visual impairments, giving it a niche focus and competitive edge.
- User centered design allows us to understand preferences of our user and design accordingly.
- Innovative features such as generative AI, personalization, and Text-to-Speech are not typically included in other travel application.

Key Features & Future Enhancements

- Integration of travel blog
- Integration of collaboration mechanism
- Integration of ranking system
- Refinement of Chatbot
- Refinement of personalization features

Accessibility Guidelines

- Web Content Accessibility Guidelines (WCAG)
- Understanding WCAG
- Key Concepts and Principles of WCAG

W3C[®] Web Accessibility
Initiative WAI

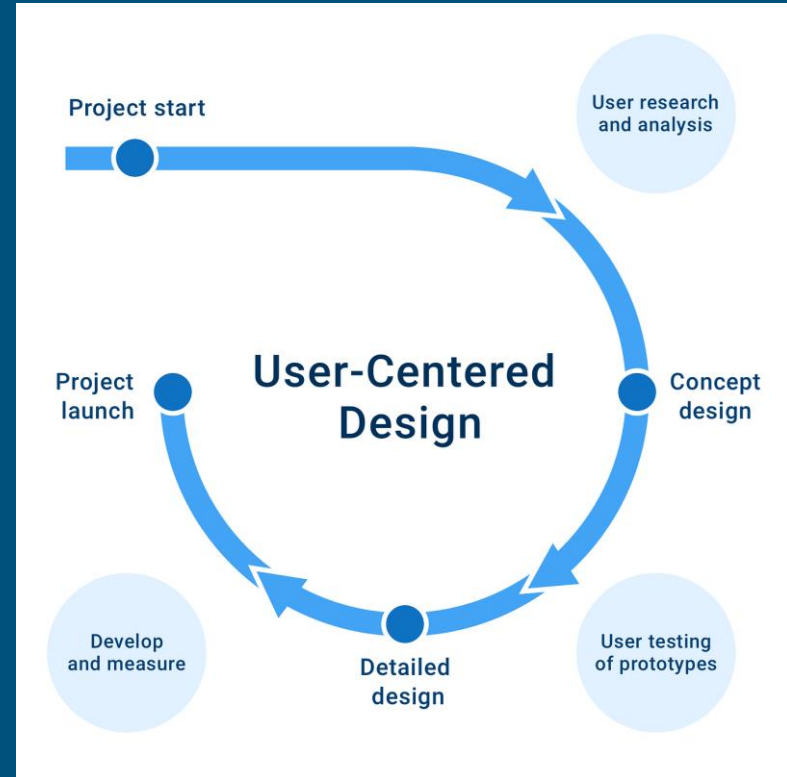

WCAG 2

Web Content
Accessibility Guidelines

UI Design Approach

- User-centered design: Design phases will prioritize the user input, considering their opinions throughout the development process.
- User Personas will be created based on our user base.
- Surveys, interviews, and Q&A will provide insights into user preferences and areas for improvement.
- User Research will be conducted to understand user's behavior and motivation.

Technology Stack

Development Languages

- HTML & SCSS
- Typescript
- C#
- SQL

Frameworks and Tools

- Bootstrap 4
- Angular 15
- Dotnet Core 7
- Identity Framework
- SQL Server

Microservice Architecture Overview

Front-End

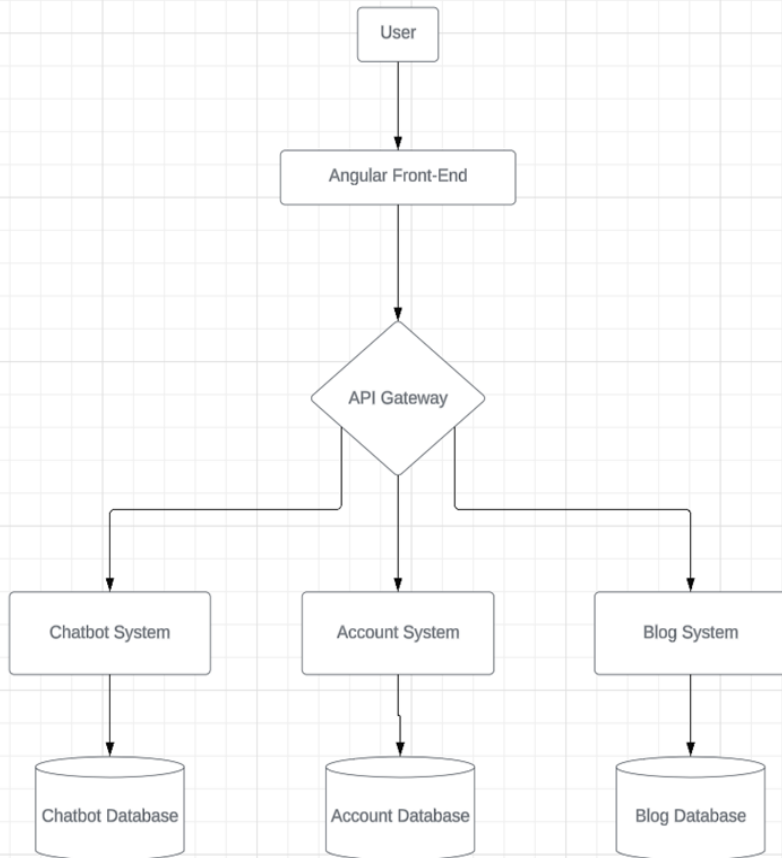

- Chatbot Module
- Account Module
- Travel Blog Module

API Gateway

- Entry Point for all Microservices API's
- Handle Authorization and Authentication between API's via JWT token

Back-End

- Chatbot System
- Account System
- Travel Blog System

Front-End Design

Angular

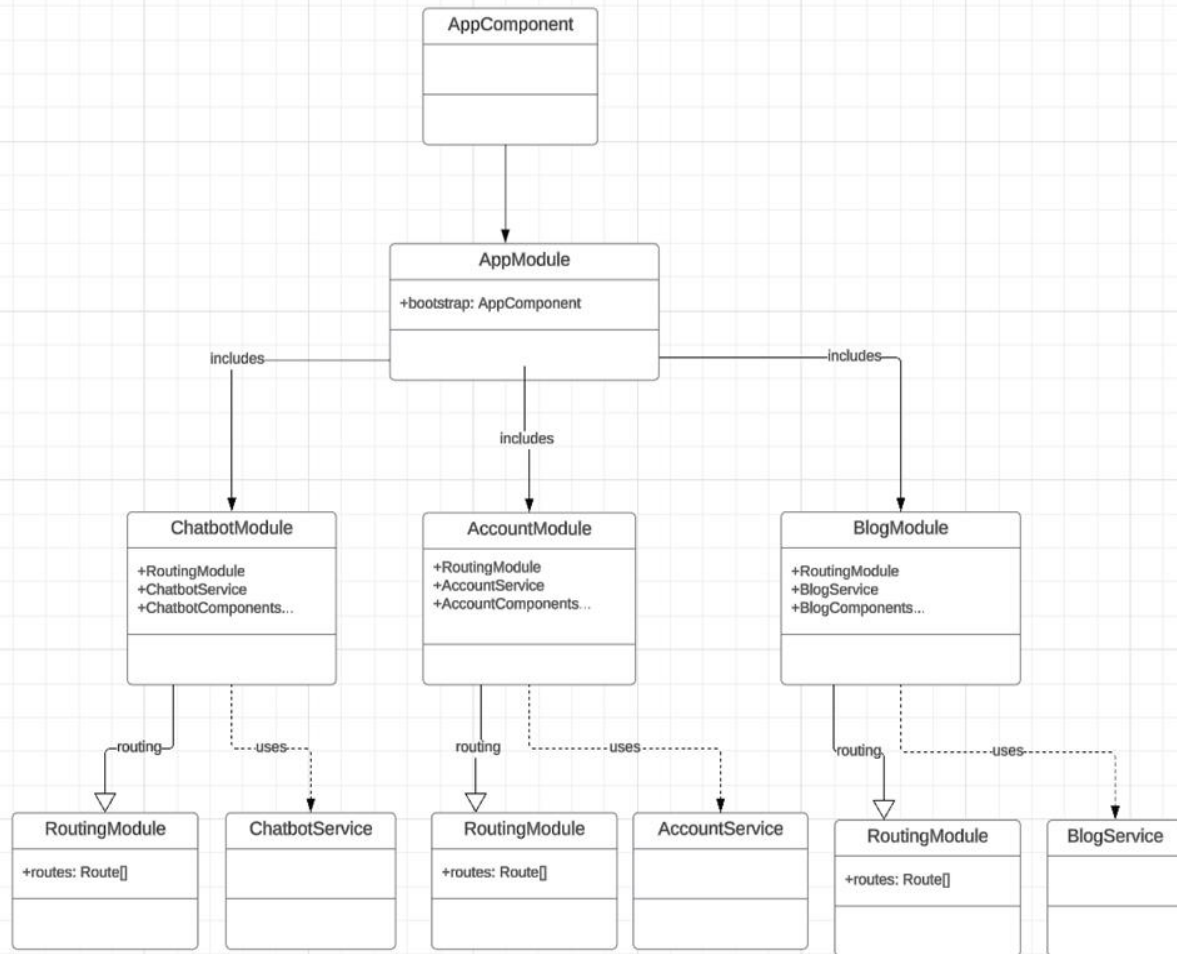

- Modularize design to encapsulate independent system logic
- Services for data fetching and state management
- RXJS: For handling events and asynchronous data stream

Bootstrap 4

- User Interface library with prebuilt responsive components

SCSS

- Styled sheet scripting language used to make custom variables and mixins to build reusable CSS library

Back-End Design

Microservice Dotnet Web API

- Repository Pattern & DTO
- Specification Pattern
- Identity Framework
- SQL Server

API Integration

ChatGpt API: Used to create custom chatbot for users.

Web Speech API: Used to convert spoken speech to text.

Account API: Used to create, authenticate, and authorize users across microservices

Persona - Tom

NAME Tom		MARKET SIZE  20 %		TYPE Idealist	
		Goals To travel independently and explore new places despite his visual impairment. To utilize technology effectively to enhance his travel experience. To experience new cultures, cuisines, and adventures.			
		Quote “ <i>I believe that with the right tools and resources, I can travel the world on my own terms.</i> ”			
Demographic Gender <u> </u> 30 <u> </u> years  <u>United Kingdom</u> <u>Single</u> <u>Computer Technician</u> <u>60,000</u>		Background Tom is introverted. He prefers solitary activities and finds peace in spending time alone, immersed in his thoughts, or working on personal projects. He wants some excitement and would like to take a solo trip to a country where he does not know the language.			
Expectations User-friendly interfaces with compatibility for screen reader software and voice commands.		Needs Information about accommodations, attractions, and transportation options for the solo traveler.		Challenges Navigating unfamiliar environments independently and safely, especially in crowded or busy areas.	

Persona - Kelly

PERSONA: Kelly

NAME Kelly		MARKET SIZE  15 %	TYPE Idealist
		Goals Experience new things Meet new people and make connections	
Demographic Gender <input type="text"/> 30 years  America Married Single 60,000		Quote “ <i>I believe life is about making new connections and making every second count</i> ”	
Expectations A travel application with a simple interface to assist her in her journey. She doesn't know where she wants to go but wants insight on the best place to visit.		Background Kelly is extroverted and free-spirited. She loves social interaction and meeting new people. She wants to meet new people and seeks new friends with whom she can make genuine connections. She doesn't know where to go and prefers to make plans as she feels like it. She also has slight dyslexia, which makes reading long and compact paragraphs hard.	
		Needs A simple travel-based application that will help her navigate a three-month trip across Europe.	Challenges With her slight dyslexia, she had trouble with information overload.

Unveiling the Hidden Charms of Luang Prabang, Laos

Richard Tran
26 FEB 2020

Nestled in the lush greenery of northern Laos, along the banks of the Mekong River, lies the picturesque town of Luang Prabang. Steeped in history, culture, and natural beauty, this UNESCO World Heritage Site is a hidden gem waiting to be discovered by intrepid travelers seeking an authentic Asian experience.

Luang Prabang is a melting pot of cultures, where centuries-old traditions coexist with modern influences. As you wander through the town's cobbled streets, you'll encounter a fascinating mix of Buddhist temples, French colonial architecture, and traditional Lao wooden houses. Witness the daily almsgiving ceremony, where saffron-robed monks collect offerings of food from devout locals, or explore the vibrant night market, where artisans sell handmade crafts and local delicacies.

Plan Your Journey to Luang Prabang

Whether you're a history buff, an adventure seeker, or a food lover, Luang Prabang has something to offer every traveler. So pack your bags, embark on a journey of discovery, and uncover the

Author

Hello, I'm
Richard Tran

I love to travel and go to new places! Although, I am hard of hearing. I have been everywhere in South East Asia and does not let that deter me. I want to give my insight on what to expect from my personal experience.
